For students who were enrolled in a degree program at the Technical University of Munich in the summer semester 2020, winter semester 2020/21, summer semester 2021 and winter semester 2021/22 and who were not on an official leave of absence, the standard duration of study for their programs has been individually adjusted to account for the COVID pandemic. This period of study deviates from the original standard duration of study designated in the relevant FPSO in that it has been extended by the number of semesters in which pandemic conditions affected progress of study and applies in accordance with Art. 130(2) of the Bavarian Higher Education Innovation Act (BayHIG). The extension of the individual standard duration of study does not apply for students enrolled in preparatory studies at Studienkolleg.
